

Musical Context

Region Sequence

The screenshot shows the ARAModel - Tracks application interface. The top bar includes a toolbar with icons for file operations, a transport section with a play button and a digital display showing '4 2' (BAR BEAT), '83 KEEP' (TEMPO), and '4/4 Amin'. Below the toolbar is a menu bar with 'Edit', 'Functions', and 'View'. The main workspace is divided into two panels. The left panel, titled 'Musical Context', contains a 'Signature' section with a 4/4 time signature and a 'Tempo' section with a tempo of 110. Below these is a 'Region Sequence' section showing a 'Piano Track' with two regions: 'Electric Piano' and 'Electric Piano.1'. The right panel, titled 'Media', shows a list of audio files. The first file is 'Electric Piano.aif', which is expanded to show two regions: 'Electric Piano' and 'Electric Piano.1'. Each region has a blue waveform and a lock icon. The second panel also shows a list of audio files, with 'Electric Piano.aif' and 'Electric Piano.1' listed. The 'Electric Piano.aif' file is expanded to show two regions: 'Electric Piano' and 'Electric Piano.1'. Each region has a blue waveform and a lock icon.
